**Your coverage amount....**

It is up to you to choose the coverage and limits that meet your needs. We recommend that you purchase a coverage limit equal to the estimated replacement cost of your structure. Replacement cost estimates are available from building contractors and replacement cost appraisers, or, your agent can provide an estimate from Xactware, Inc.<sup>®</sup> using information you provide about your structure. We can accept the type of estimate you choose as long as it provides a reasonable level of detail about your structure. State Farm<sup>®</sup> does not guarantee that any estimate will be the actual future cost to rebuild your structure. Higher limits are available at higher premiums. Lower limits are also available, as long as the amount of coverage meets our underwriting requirements. We encourage you to periodically review your coverages and limits with your agent and to notify us of any changes or additions to your structure.
